Instructions probably typical of this type of pin the tail on the Donkey game. Since they are in the box lid cannot be duplicated. The first paragraph of the instructions - "Cut off the portions of the cloth that contains the tails, cutting each tail out separately and place a pin at the top of each one of them. Then place the picture of the Donkey on the sidewall or floor, holding it in position with four thumbtacks." There were 24 tails in the box!
