TREASURE HUNT GAME

LITHOGRAPHED IN U.S.A. BY THE LITTON CO. CO., ROCHESTER, N.Y.

INDIAN BEAR HUNT GAME

Each player selects a disc and flicks the spinner. Highest number has first turn. Each player flicks the spinner in turn and advances his disc the number of bear tracks indicated by the arrow. If a player's disc stops on a red bear track, player must follow instructions. The hunter whose disc reaches the finish track first, wins.

TREASURE HUNT

Each player selects a colored disc and flicks the spinner. Highest number starts game.

If arrow indicates the number of a door, player must go through that door, whether it be forward or back, into the room beyond.

If arrow indicates number of a piece of furniture, player must stay there and hunt for treasure until next spin.

The object of the game is to get your man through the house by any route and into the secret Treasure Chamber first.
