

TRICKY STICKS

2-3-4 DOUBLE THE SCORE

INSTRUCTION SHEET

No.
6

Number of Sticks	Name	Color	Counts
1	President	Purple	15 points
2	Senators	Blue	10 "
3	Congressmen	Yellow	4 "
5	Governors	Green	3 "
6	Mayors	Red	2 "

Bunch sticks together in one hand, and hold at least 10 inches above the table. Open hand and let sticks drop on the table.

Take up sticks one at a time, without moving any other stick. If any stick moves, besides the one you are picking up, your turn is finished, and the next player takes his turn, and starts over again.

If you have succeeded in picking up the President, you may use that stick for removing others—to separate two that are lying close together or to flick off one that is resting on other sticks. No other stick may be used in this way.

If you take up all the sticks, you may have another turn, and so on until you miss.

As each player finishes his turn, tally the points he has earned on the sticks he removed successfully. At the end of the game, the player with the most points wins.

Should a player take up in succession a Mayor, Governor and Congressman, the score becomes doubled. In other words—2, 3, 4 in consecutive sequence is doubled for the player who can accomplish this feat.
