

## HOW TO PLAY JIG SAW LOTTO

JIG SAW LOTTO may be played by 2 to 4 players. The pieces are removed from the cards and placed face up in the center of the table. At a given signal all players try to fill their cards with the characters which fit the odd shaped holes. The first player to fill his card wins the game.

JIG SAW LOTTO may be varied, and game may be won by filling one row across, or the outside border only.

JIG SAW LOTTO is entertaining, and educational, teaching little fingers co-ordination.
