

**Game Of Mother Nature**  
by Russell Mfg Co

This pack of cards comprises eight sets of four cards each.

1. Shuffle and deal the cards one at a time, giving all the players an equal number,
2. The person at the left of the dealer starts the game by asking any of the other players for any card he may need in making a set, whether he has a card of that set in his hand or not, and may continue to call as long as he is successful in getting the card called for.
3. When a player misses the next one at his left takes his turn and may call for cards he needs until he misses and so on.
4. When a player completes a set he lays it on the table face up and announces what set is completed.
5. The player making the most sets in this way wins the game.
