RULES FOR PLAYING THE GAME OF

"MISTRESS MARY"

FOR TWO, THREE OR FOUR PLAYERS

Each player selects one piece and places it upon the space marked "START HERE."

The object of each player is to get his piece into the centre circle of the board, bearing the picture of "Mistress Mary."

Spin the indicator in turn and move ahead as many spaces as spun.

Any player whose piece lands on a red space shall on his next turn follow the course as indicated by the arrow, otherwise he keeps on his original course.

Players can pass each other or occupy the same space at the same time with another piece or pieces.

The first player landing on the center space "Mistress Mary," by exact spin, WINS THE GAME.
