

# Rules for Playing the President Game

COPYRIGHT BY J. G. BAUER--1914

"Separate the cards with names of Presidents, which will be known as the President Card."

"Shuffle the cards as usual, deal one card to each player until each player has five cards. Place the remaining cards face down on center of table or other convenient place which will be known as Reserve Pack.

"Shuffle the President Cards, deal one card to each player.

"The player to the dealer's left begins the game by placing one card face upwards on table, but must be the first letter of said player's President Card. If no such card is held the said player must place one card in a discard pack and draw one card from the reserve pack, until such card is secured, when the player next plays likewise.

"When reserve pack is exhausted reshuffle discards and continue the game.

"Each player has but one play.

"The player who succeeds in spelling the name on said player's President card wins the game.
