

~~RING~~
DONKEY ~~RIGHT~~ TOSS GAME

Stand the donkey in the slotted wooden pieces glued to the box bottom. Take the 3 rings apart. Standing about 2 feet from the box, each player in turn tries to toss the 3 rings so that they hang on the donkey's ears. Each player received the number of points indicated on the rings he succeeds in hanging on the donkey's ears. If a ring lands in the box bottom the player adds or subtracts the number of points indicated in the space covered by the larger part of the ring. A game consists of five turns for each player. The player having the highest score is named the winner.
